

Admission Procedure

The program is very demanding and requires a minimum of an academic foundation in order to successfully complete it. To be admitted all applicants must:

Have a certificate of successfully passing the final examination of the pre-university secondary education, HAVO, VWO, SBO or equivalent.

Participants should most preferably have a number of years of relevant work experience. An intake interview is part of the admission and selection procedure.

Degree Awarded

At the end of the program the candidate who has met the requirements will be granted the title of Bachelor in Business Administration (BBA). The diploma is granted by the Inter-Continental University of the Caribbean.

Tuition Fees

Tuition fees for the entire BBA program are ANG 14, 250,= (excluding ANG 1,700,= enrollment fee and excluding all other costs).

A fee of ANG 150,= per year for the access to scientific databases.

It is possible to pay the tuition fee monthly. The monthly fee will be between ANG 350,= and ANG 425,=.

Facilities

ICUC's main office and education facilities are located in the Martinus College in the heart of the city-center of Curaçao. The Martinus College has a long and rich history with respect to education. It was built by the Sister Franciscaner order and has always been a center of education. It includes state of the art facilities for classrooms, offices, training sessions and meetings. It is located at the central Brionplein square in the heart of the old city of Curaçao, overlooking the famous Handelskade. Public transportation is around the corner and there are lots of parking spaces.

Bachelor's Degree in Business Administration (BBA)

The objective of this BBA program is to offer professionals an academic program in Business Administration and Management at a middle-management level. In this program the professionals will acquire scientific and practical knowledge so that they can function more effectively and efficiently in their organizations.

Program Structure

The BBA program is a four-year program consisting of 240 ECTS. There is a fast track for candidates who would like to finish the course in three years. The setup of the program is modular. Depending on the major, the program will consist of 25-27 modules.

The Setup of the Program:

Core

Preparation	18ECTS
Core Modules A	46ECTS
Core Modules B	46ECTS

Major

Major Modules	30ECTS
Research+Major	18ECTS
Thesis+Major	22ECTS

Internship

Internship	30ECTS
Internship	30ECTS

The Preparation modules and Core modules are mandatory for all students. The specific Major modules are presented in the second year. The research and thesis modules are completely major-related.

All the majors -General Management, Human and Labor Management, Service and Quality Management, Internet and Web Technology, Public Communication and Marketing, Business and Community Leadership, International Business and Management and Educational and Didactic (to be announced)- will have the same structure.

Modular Structure

The program will be offered in a modular format, with a total of 24-27 modules (including the final thesis). Classes are usually two to three times a week. Class hours are from 18:15 until 21:15 on week days.

Each module is completed (graded) through written examinations, papers, portfolios, cases, and (individual and/or group) presentations.

Language

Classes are instructed in English, and candidates are expected to complete their (group and individual) assignments, presentations and exams in English.

Teaching Staff

Our teachers are dedicated (local) experienced professionals with great didactic qualities.

International professors are sometimes included in the program.
